

**VOLUNTEER REPORT BY CARMEN BARÓN MATA
EUROPEAN SOLIDARITY CORPS VOLUNTEER AT LA RUEDA
FROM OCTOBER 2021 TO JULY 2022**

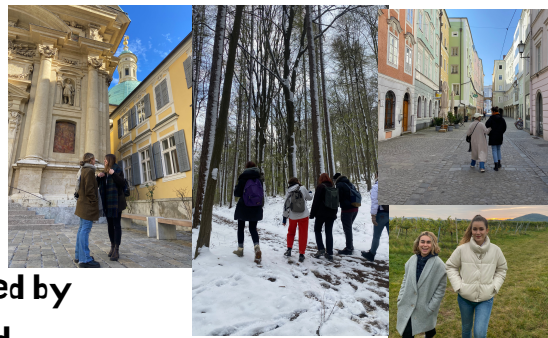

Hi everyone,

my name is Carmen and I have been a volunteer in La Rueda. I highly recommend this experience. You will discover Austrian culture, travel around this beautiful country, meet new people every second and many more things that I can not say because you have to discover by yourself!

My normal days were full of hugs, mornings in the Danube with the wind of Vienna and enjoying the sun and the parks with the kids in spring and summer.

During my free time I was always surrounded by amazing people, traveling every weekend and always discovering something new.
