

## European Solidarity Corps volunteering at Kinderladen Hütteldorf

### What is Kinderladen Hütteldorf?

Our kindergarten was founded by parents and kindergarten teachers for the collective supervision of children aged 2 to 6 with shared goals and contents. This type of kindergarten is called "Kindergruppe". Our Kindergruppe is located in the west of Vienna, in the district "Penzing", which has many green areas, including the Vienna Woods.

The Kindergruppe is managed by the parents and there are two caregivers for 13 children between the age 2 to 6. In our everyday work we value most of all respect, room for individual development and a feeling of security. We let ourselves be guided by the needs of our children and decide with them together our daily activities.

### Proposed activities

As a volunteer, we would like you to be present about 30 hours per week (maximum 38 hours per week). The opening hours of the Kindergruppe are Monday to Friday 08:00 – 16:00. You will have your lunch with the children. Furthermore, there are regular planning meetings with the parents and the teachers. You will be integrated in the daily schedule of the Kindergruppe and will support our team of pedagogues. This includes welcoming the children, helping them with their clothing, participating in the morning activities, such as playing music, doing handicraft, drawing, cooking and baking, going outside into nature, as well as observing and supporting the children in their doing and needs.

Many activities are organized according to the different themes and seasons throughout the year: e.g. Christmas, Easter, Spring, Autumn, etc.

Additionally, there are small events, for example our Summer Party. This is a common activity for all parents, staff, and children.

As a volunteer, we welcome you to support and give input to all

our regular activities, but to also create projects of your own. For example, you could offer activities and projects about your home country (making typical food, learning dances and songs from your culture, etc.), or anything related to your interests and talents.

As a volunteer you are invited to join our colorful group of children, parents, and pedagogues at learning, growing, and experiencing together.
